50	Marvionna Pledger	12	20:41.0
51	Donia Firooz	10	21:02.0

NOTE: Please forgive me for not realizing that the Sprint 8 timer was about out of batteries so consequently we lost a few times. Other than this problem and the 20-25 mph south breeze the day went fairly well. You can probably take off 20-30 seconds from you time to get a more accurate time if the day wasn't so windy. I look forward to seeing everyone in Emporia.
