NOTE: Another great day for a race other than it was a little windy. I would estimate that the course was about 15 seconds slower than the Emporia course for the 2K kids and 25-30 seconds for the older group. It was great to see all the new faces. We look forward to having you with us in the future. I look forward to seeing everyone in Garnett! Keep working on your form as it will be the one thing that will help you the most when you get tired in a race!
