NOTE: Great job for all those running their first cross country race! I was very impressed. The new course was slower than in the past with some additional length and turns. The weather was great and about 70 degrees. Keep working on your form and we will keep getting better! I look forward to seeing everyone at the next meet. If you didn't get your award after the race, you may do so at practice or the next meet. A special thank you to Coach Jay Johnson for getting t-shirts for us for the awards this year!
