NOTE: What a great day to race smart as it was in the upper 80's and very windy! I would estimate that the course was about 10-15 seconds slower than the Emporia course for the 2K kids and about 45 seconds for the older group. It was great to see all the new faces. We look forward to having you with us in the future. I look forward to seeing everyone in Garnett! Keep working on your form as it will be the one thing that will help you the most when you get tired in a race! A special thank you to Coach Spielman and the Baldwin CC team for their help at the meet!
