NOTE: It was great to see everyone at the race! The course footing was good but the grass in places was a little high due to recent rains. My apologies for missing some of the times in the first race. If you know any of those times, please let me know. I hope that you learned as much from this race as I did. A special thanks to ESU Coach Eric Wellman for all his help at the meet and with the course. I look forward to seeing everyone in Baldwin next Sunday.
