NOTE: It was great to see everyone at the race! The course footing was a little hard due to the lack of rain. My best guess is that given the heat and wind conditions that the course ran about 15-20 seconds slower than last year. I hope that you learned as much from this race as I did. A special thanks to ESU Coach Eric Wellman for all his help at the meet and with the course. I look forward to seeing everyone in Baldwin next Sunday.
