**NOTE:** It was great to see everyone at the race! It was a great day to run as is any day. It was a terrible day to race given the heat, the height of the grass and especially the 20mph sustained winds. My best guess is that given the heat and wind conditions that the course ran at least 45 seconds slower than last year. I hope that you learned as much from this race as I did. A special thanks to ESU Coach Eric Wellman for all his help at the meet and with the course. I look forward to seeing everyone in Baldwin next Sunday.
