

BROCAW BLAZERS HISTORY

Coach Ramsey founded the team in October of 1988 as tribute to a family of runners that he coached who were killed in a tragic car accident. Anyone from Kansas, Western Missouri and any adjacent AAU or USATF District, age 6-18, who wants to participate, is encouraged to do so. The team has competed in the CC Coaches National Youth Championships, AAU and USAT&F Jr. Olympics Cross Country meets. The team has grown from 17 runners in 1988 to the point where we have had as many as 194 runners at the National Cross Country Meet on teams in six different age divisions. Coach Ramsey coordinates all training, travel, lodging, finances, logistics and activities for the team.

81 teams have also finished as National Cross Country Team Runner-up.

In 2007 we had what has been called the greatest overall team performance ever as ten(10) of the twelve(12) teams in the different age divisions won the national title. Four other teams finished as national runner-up and two other teams finished 3rd. We also added to our record as the only team in history to have a team (youth boys, intermediate girls and young women) finish 1st and 2nd in the same race. This feat was accomplished in both 2007 and 2012 by our 13-14 boys, in 2001, 2002, 2005, 2007, 2008 & 2011 by our 15-16 girls, in 2014 by our 15-16 boys, in 2003, 2007, 2008, 2010, 2011 & 2012 by our 17-18 girls and in 1999, 2008, 2010 & 2014 by our 17-18 boys. Since 1996, of the 236 races that have been contested, we have had a team in all except two. Of those 234 races, our team has finished as the National Champions 131 times, National Runner-up 70 times, and the 3rd place finisher 34 times.
