NOTE: What a great day for running and racing! The weather was 70 degrees and very little wind. Great job at the meet especially those of you in your first CC race ever! It was great to see all the new faces. We look forward to having you with us in the future. Keep working on your form as it will be the one thing that will help you the most when you get tired in a race! A special thank you to Lukas Koch, Dylan Brenneman, Tori Robinson and Brett Bachman for all their help with the meet!
