NOTE: It is always a great day for running and racing! The weather was 89 degrees and sustained winds of 12 mph. Great job at the meet especially those of you in your first CC race ever! It was great to see all the new faces. We look forward to having you with us in the future. Keep working on your form as it will be the one thing that will help you the most when you get tired in a race! A special thank you to Kerby Depenbusch Dylan & Monica Brenneman, Tori Robinson and David Lutgen for all their help with the meet!
